

Bigair Gymsports

At Bigair Gymsports, kids love Gymnastics, Trampolining, Tumbling, Parkour and Cheerleading! Coaching kids at Bigair Gym is one of the most rewarding jobs as we get to support kids and see them develop new gym skills, like cartwheels and walkovers etc which kids love, and they learn a range of personal skills; including increased self-confidence, self-reflection and pride in their achievements as they progress through our 10 level badge programme. It is highly recommended that children start gymnastics at 3yrs due to being excellent preparation for starting school, and once children are at school, gym replicates the fundamental learning processes which supports children's learning at school so the benefits and rewards are substantial. To find out what class would benefit your child the most, please call our Tawa Bigair Gym on 2323508 or email office@bigairgym.co.nz
