

3rd February 2017

Dear Families,

2017 EOTC Contribution

The annual EOTC contribution from parents help us to give our students a variety of rich learning experiences outside the school. Rather than ask for money every time there is an event or trip planned, each year we request an amount of money to go towards costs incurred throughout.

In 2016 our students experienced performances from Zippety Zoo, Matariki festival (Te Papa and Wellington Art Gallery) and Whiteria School of Performing Arts. They received cricket, soccer and aquatics lessons and took part in sporting events and our Year 7/8's completed the William Pike Challenge. Our students also visited a dairy farm, H2O Extreme, Te Papa, Capital E, The City to Sea Museum, The Observatory, The Cable Car, Science Roadshow, Book Awards and The Women in Policing Parade. As you can see from this exhaustive list we try to provide a wide range of activities for our students.

As I am sure you are aware these events are an extra cost to the school which is why we request an EOTC voluntary contribution at the beginning of each year. There are many options available for paying this voluntary contribution. The amount requested EOTC in 2017 is **\$160 per student**.

For all **year 7/8 students** we request an additional **\$60 for consumables used during the four technology weeks** at Newlands Intermediate School. The total amount requested for **Year 7/8 students is \$220**

We have several payment options available:

Internet Banking or Automatic payment: ASB Lambton Quay Cardinal McKeefry School Account 123140 026178300
OR

Return the tear off part below to school with cash or cheque in an envelope.

Please feel free to meet with me should you wish to discuss this further or to organise a different payment schedule not already provided for.

Yours sincerely

Tania Savage
Principal
