RAISING RESILIENT KIDS 2018

PARENTS YOU ARE WELCOME

Building resilience helps children not only to deal with current difficulties that are a part of everyday life, but also to develop the basic skills and habits that will help them deal with challenges later in life, during adolescence and adulthood.

Resilience is important for children's mental health. Children with greater resilience are better able to manage stress, which is a common response to difficult events.

Tawa Recreation Centre April School Holiday Programme

Registrations for our April School Holiday Programme are now open.

We have an exciting line up where your child will try something new or enjoy their favourites. Don't forget we provide before care starting at 7.45am as well. We are an OSCAR approved programme. Go to <https://wellington.govt.nz/recreation/stuff-for-kids/school-holidays> and register.

The Rock Academy Holiday Programme

Gives young singers and musicians the chance to bond with fellow creatives. Every morning they learn new modern songs and then take them to the street. At 12:30pm we go busking and the money they make (and keep) brings a new enthusiasm towards music. Song writing is another great activity that inspires these young

musicians. Most instruments are welcome and we have battery power keyboards for the keyboardists/pianists. Please note the second week Wednesday is Anzac day. We will run the Tuesday before and then the Thursday and Friday after.

Location: St Patrick's Parish Hall, [5 Rongotai Road Kilbirnie](#)

Time: Starts at 9:00am and finishes at 3:00pm. Drop off 8:45am. **April:** 16th to 18th Monday to Wednesday. \$195 for the 3 day week. **April:** 24th Tuesday, 26th Thursday and 27th Friday. (Wednesday is Anzac day and we will not be running on this day). \$195 for the 3 day week.

Activities include: Daily Busking Trips – Great for building confidence in young musicians. The money is a motivating factor too. As a group they can make over \$200 per day and they get to keep the money.

Group Jam Sessions Acoustic – Being surrounded by other likeminded individuals is inspiring and elevates the learning process. This is where they learn lots of new modern pop and rock songs.

The Rock Academy's Got Talent - Pupils learn how to audition, introduce themselves, hold eye contact and perform a piece to take out the Rock Academy's Got Talent trophy.

Singing Lessons/Exercises - Singing exercises, warm up's and scales every morning.

Technique Up Skill Sessions - Learning new riffs, licks, chords, tricks and techniques.

Industry Workshops - Learning what it means to be a successful musician however ambitious or unambitious that may be.

Solo and Group Songwriting Sessions - Pupils are asked to write their own songs over the three days. They can be a bit nervous about this at the start but finish the week confident about the whole experience.

It's lots of fun and very educational. Their musicianship level can go through the roof with consecutive days of playing and singing. We take them busking every day outside Unichem Pharmacy, Bay Road Kilbirnie at around 1230pm. For bookings or more information please [contact](#) us today.
