What's on Wadestown

It's a big day for the little village here at Wadestown this coming Saturday 10 March. The popular Wadestown Residents Association annual Village Fair will be held from 11am to 2pm on the Village Green at Philip Myers Park beside Wadestown Library. Coincidentally, March also marks the thirtieth birthday of Wadestown library which was first opened in March 1988 so there will be a special birthday celebration to mark the occasion with Ruth Gottlieb, (former City Councillor and twice Wellingtonian of the year) on hand to cut the birthday cake. Mrs Gottlieb was a City Councillor at the time of the library's original opening in 1988 which she attended with the then City Mayor Jim Belich. Any locals who were present for the library's original Opening thirty years ago in 1988 are warmly invited to join in the Birthday celebrations immediately after the Opening of the new Bush track at Midday! The loan of any photos or memorabilia along with any stories from the original occasion are welcomed. In the event of wet weather the Fair will be moved to the local St Luke's and Presbyterian Church halls and the Plunket rooms but the Opening ceremony of the new Walkway as well as the Birthday Cake-cutting will still go ahead at midday at the library.

Bigair Gymsports Tawa

If you have a child who loves doing handstands, cartwheels, walkovers, flips, or cheerleading, then they will love Bigair Gym! At Bigair Gymsports, kids love Gymnastics, Trampoline, Tumbling, Parkour, and Cheerleading! We have classes to support children of all levels and interests. As children learn new gym skills they will increase their flexibility, balance, coordination, strength, and fitness. The benefit for our children is that they learn extensive personal skills from Gym, which includes; increased self-confidence, self-reflection, listening skills, persistence, self-pride, and so much more! It is highly recommended that children start gymnastics from 3yrs, as it provides excellent preparation for starting school. Once children are at school, gym is beneficial as it replicates the fundamental learning processes which supports children's learning at school, so the advantages and

rewards are substantial. Did you know that Bigair Gym also offer Birthday Parties? To find out more, please call our Bigair Gym Tawa on 2323508 or email office@bigairgym.co.nz.

Tawa Recreation Centre April School Holiday Programme

Registrations for our April School Holiday Programme are now open.

We have an exciting line up where your child will try something new or enjoy their favourites. Don't forget we provide before care starting at 7.45am as well. We are an OSCAR approved programme. Go to <https://wellington.govt.nz/recreation/stuff-for-kids/school-holidays> and register.

The Rock Academy Holiday Programme

Gives young singers and musicians the chance to bond with fellow creatives. Every morning they learn new modern songs and then take them to the street. At 12:30pm we go busking and the money

they make (and keep) brings a new enthusiasm towards music. Song writing is another great activity that inspires these young musicians. Most instruments are welcome and we have battery power keyboards for the keyboardists/pianists.

Please note the second week Wednesday is Anzac day. We will run the Tuesday before and then the Thursday and Friday after.

Location: St Patrick's Parish Hall, [5 Rongotai Road Kllbirnie](#)

Time: Starts at 9:00am and finishes at 3:00pm. Drop off 8:45am. **April:** 16th to 18th Monday to Wednesday. \$195 for the 3 day week. **April:** 24th Tuesday, 26th Thursday and 27th Friday. (Wednesday is Anzac day and we will not be running on this day). \$195 for the 3 day week.

Activities include: Daily Busking Trips – Great for building confidence in young musicians. The money is a motivating factor too. As a group they can make over \$200 per day and they get to keep the money.

Group Jam Sessions Acoustic – Being surrounded by other likeminded individuals is inspiring and elevates the learning process. This is where they learn lots of new modern pop and rock songs.

The Rock Academy's Got Talent - Pupils learn how to audition, introduce themselves, hold eye contact and perform a piece to take out the Rock Academy's Got Talent trophy.

Singing Lessons/Exercises - Singing exercises, warm up's and scales every morning.

Technique Up Skill Sessions - Learning new riffs, licks, chords, tricks and techniques.

Industry Workshops - Learning what it means to be a successful musician however ambitious or unambitious that may be.

Solo and Group Songwriting Sessions - Pupils are asked to write their own songs over the three days. They can be a bit nervous about this at the start but finish the week confident about the whole experience.

It's lots of fun and very educational. Their musicianship level can go through the roof with consecutive days of playing and singing. We take them busking every day outside Unichem Pharmacy, Bay Road Kilbirnie at around 1230pm. For bookings or more information please [contact](#) us today.
