**Catholic Character**

Over the next few weeks we will be sharing some prayers about the ways God speaks to us written by Room 5 students. Up first is Odette and Viki:

God can speak to us in different ways.  
 Some people hear him in their hearts, some people hear him in prayer.  
 Sometimes there may be symbols of God,  
 God created the land we live on. God created the animals that we share.  
 God speaks to us when we have done something wrong.  
 The Holy Spirit is in us. God helps us to make things right.  
 Each person has a spark of God in them.  
 God is always standing next to us with our guardian angel.  
 God controls the weather. He gave light to the dull. He made us human.  
 No one can see God but you can hear God.  
 God started our world, he helps many people.  
 He led Moses and Noah and his family.  
 God loves us all and protects us from danger.  
 God makes every flower bloom. He's the one who helps us grow.  
 When God is upset the weather isn't great.

**Upcoming Union Meetings for Principals and Teachers— 19 June**

You may be aware of the nationwide crisis in recruiting and retaining teachers. Throughout June, teachers and principals who are NZEI Te Riu Roa members have been invited to paid union meetings so they can plan and discuss next steps in our campaign to address this crisis. Called 'Kua Tae Te Wā – It's Time', the campaign aims to free teachers to teach and principals to lead, by getting the additional support and staff that schools need. You can learn more about this campaign here <https://campaigns.nzei.org.nz/time/> **Our teachers will be attending the Wellington meeting together on the 19 June from 12:30pm. If you are able to make arrangements for your children to be picked up early this day we would be most grateful for your support.** Estelle, Lynne and I will remain at school to supervise those who are unable to do so. Our children deserve the best education in the world, and New Zealand can afford to provide it. It's just a matter of priorities. Thanks for your co-operation in this important matter.

**Winter Netball** Cardinal Team Extreme had another very close game on Saturday losing by one goal (11-10) against Marsden Green. Alamay scored some super goals and was awarded player of the day. The Cardinal Crazy Cats had a tough game but they showed some great team work. Liza was the player of the day for her amazing defence work and intercepts. Jessica and Chloe had their first game with the St Teresa's Sparklers. Jessica

was part of some great team work in the shooting circle and Chloe was a formidable defender. They had lots of fun and won their game.

**A reminder there is no netball this Saturday due to Queens Birthday weekend.**

## First it was a \$1,000 donation to our playground fundraiser . . .

Chris Day from Professionals Real Estate, who recently donated \$1,000 to our school's playground fundraiser, is extending this largesse by now offering all parents of students at Cardinal McKeefry School the opportunity of \$1,000 donated to the school as well.

"If you are a parent of a student at Cardinal McKeefry School and you list and sell your house with me, I am more than happy to reward the school with a \$1,000 donation," Chris explained. "In fact, I will give a \$1,000 donation to the school on behalf of anyone who has a property in either Northland or Wilton who lists and sells with me also." Chris says he is committed to supporting both Cardinal McKeefry School and parents in his local community.

"My wife Jo-Anne works at Cardinal McKeefry School and my two children will be going there soon. We love living in this beautiful part of Wellington and I am happy to give as much support as I can."
