Five Necessary Attitudes from Pope Francis

Attitude four: IN COMMUNITY

Growth in holiness is a journey in community, side by side with others. In the communities we belong to, we are called to create a “God-enlightened space in which to experience the hidden presence of the risen Lord”. We live in different communities: family, parish, school, recreational and sporting communities- they are also a chance to respond to the needs of others. Are we creating God-enlightened spaces in our lives?

Reminders #2:

We have a number of processes we follow that exist so we can keep all of our students safe at school. It helps us greatly if everyone follows the established processes for:

School Hours of Operation: Please be aware that our school does not open for supervision until 8:30am and all students are expected to be picked up by 3:15pm. Outside of these hours is teacher non-contact time.

Drop off and Pick Up:

The designated area for drop off and pick up is on the school court. If you are unable to use the court please ensure you park well clear of the bus stop. To ensure the court is a safe area to walk through, please remember to park in the same direction as other people. Reversing in our playground is dangerous as many of our students are too short to be seen in the rear vision mirror.

Biking/Scooting/Skating:

We encourage our students to use wheels to get to school. They are also able to use scooters, skateboards and skates at lunchtime in the playground. Please make sure you encourage your children to walk their wheels in shared spaces: our entry points, footpaths and carpark.

Playgrounds after School

During our school day year 1-3 students use the playground next to the main road and year 4-8 use the playground next to the driveway. The later playground is considered too high for younger students to play on. It is also important our older students have a place to play where they do not need to modify their play for younger students. Please keep this in mind when supervising your students after school, especially pre-schoolers.

Ngā mihi nui, **Tania Savage**

ONESIE DAY
7 SEPT

Term Dates 2018

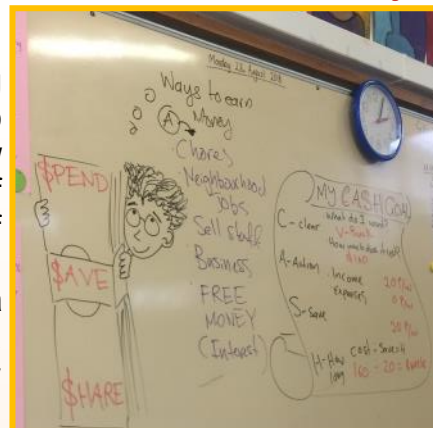

Term 3 Monday 23 July to Friday 28 September.

Term 4 Monday 15 October to Tuesday 18 December.

ASB Get Wise Financial Literacy

Monday started with a whizz bang session with Rm 4 hosting Superhero 'Captain Cashtastic' He taught them how to be Cashtastic superheroes by understanding and identifying the value of money, how to prioritise needs over wants, and the important practice of saving, spending, and sharing. Rm 5 hosted Vane 'Our Money PT from ASB.' Vane discussed with our tamariki the difference between an eftpos card, a credit card, and how it is people earn money. The tamariki suggested that a way to practice earning money is to do chores. If your child is in Rm 5 they should be able to discuss what it means by "Stop the wheels, look for the good deal!" and "It's not on the list!". Rm 2 were inspired to be much more creative and entrepreneurial with their earnings, saving and spending. Tamariki explored the opportunity to start saving now and the power of interest while helping set-up and reach their very own CASH goals. Finally Rm 1 stepped through their first 'Get What You Want Plan', students then leverage their decision making skills to compete in a 'cash-clever'

quest to make their dream holiday a reality. The concepts covered included: Income and Expenses. Budgeting: Making a plan to get what you want! Spending money: Credit cards and dealing with debt. Making good decisions: Currency exchange, insurance and hidden costs.

Library News- Our Book Week & Book Fair

Our Book Week is Monday 10 to Friday 14 September. The Scholastic Book Fair will be at our school from Wednesday to Friday. A variety of Scholastic books will be on display and available to purchase at certain times. We also have some exciting events planned for this special week. Our Book Fair theme is Paws for Books. Cardinal McKeefry students will be immersed in literature as each day during Book Week teachers will be swapping classes for 10 minutes and sharing their favourite read-a-louds. On Thursday 13 September we will celebrate Roald Dahl Day in the library. **On Friday students will be invited to come dressed as a Book Character and at the afternoon assembly they will parade their costumes.** Ideas for the Book Character dress ups will be sent home next week. There will also be a Junior and Senior Lit Quiz for all students to take part in on Friday. If you have some time to help at the Book Fair, please complete the Google form <https://goo.gl/forms/n6TyS2adZKak6rn82> Feel free to pop into the library to see Estelle if you have any queries.

SKCCW WELCOMES YOU TO THE FUNDRAISING LUNCH AND DINNER TO SUPPORT KERALA'S FLOODING DISASTER VICTIMS

Kerala has been devastated by this natural disaster and the flood waters continue to rise. Never before has this state witnessed a calamity of this degree.

To help provide the basic supplies that are required by the victims of this calamity, we are organising a fundraising dinner for supporting the rescue and rebuild of the lives of the victims.

**Saturday 8th September 2018 at the Indian Cultural Hall
2 Udy St, Petone, Lower Hutt
Lunch 11:30am-2:30pm
Dinner 5:00pm-9:00pm
Adults: \$30 Children \$20**

GARDEN TO TABLE

**GROW,
HARVEST,
PREPARE,
SHARE**

Week 6 Garden Group

This week the garden group planted many different seedlings like chives, parsley, beetroot, and we also planted citrus trees.

The Skills learnt this week were-

- 👉 How to hoe the soil to prepare for planting
- 👉 How to plant seedlings in the garden beds
- 👉 How to plant citrus trees from their pots into the ground

Week 6 Kitchen Group

The kitchen group this week made Carrot & Lentil Soup and Flatbread.

A big thank you to Austin's dad Robert who volunteered in the kitchen for us this week.

It was great because my dad came along to help us this week, he taught how to grate carrots with a grater, and then after grating about eight carrots we discovered a food processor, which really helped us for the remaining carrots! Austin

The Skills learnt this week were-

- 👉 How to chiffonade silverbeet
- 👉 How to grate carrots and also use a food processor to grate carrot
- 👉 How to dry fry cumin seeds
- 👉 How to make flatbread
