Introduction to the Organ - a family friendly concert at Wellington Cathedral of St Paul

My name is Michael Stewart and I am the Director of Music at Wellington Cathedral of St Paul, opposite Parliament on the corner of Hill and Molesworth Streets. Next month the Cathedral will be taking ownership of a brand-new custom-built digital organ, following the damage to our pipe organ in the November 2016 earthquake. We are very excited about this new instrument, and will be launching a music festival to celebrate, including a family-friendly 'Introduction to the Organ' at 2pm on Saturday 13 October. Included in this concert will be a performance of 'Peter and the Wolf' arranged and performed by Cathedral organist Richard Apperley. We would love to have the Cathedral full with primary school children and their families to welcome the new organ, and to maybe experience organ music for the very first time! I would be so appreciative if you were able to add a notice to your school newsletter to alert your pupils and families to this special event.

For further details, please see our Facebook event (<https://www.facebook.com/events/830273203832682/>) or contact me on dom@wellingtoncathedral.org.nz or 021 477257

Synergy Swim School

Synergy Swim School is a boutique swim school located within Synergy Health & Fitness Club at 154 The Terrace. Swim lessons are held in our 20m saltwater pool heated to comfortable 30 degrees by our experienced team of instructors. At Synergy Swim School we focus on skill development, enjoyment and building the confidence of all our students. Our small class numbers are small (3-6) allow for more personal attention to students which is great for nervous beginners. We hold

a Gold Accreditation as a Quality Swim school as awarded by NZSCTA (New Zealand Swim Coaches and Teachers Association). Currently we are the only NZSCTA Accredited Swim School in the Lower North Island with a Saltwater Pool.

OUR FORMULA- We have a simple formula that creates a great environment for swimmers of all abilities:

Small Class Numbers – this allows us to personalise teaching and increases the productivity of lessons

Focus on Technique – emphasis on teaching great technique rather than a focus on 'lengths or speed' as these skills will come easily later. Keeping it fun – swimming is a life skill, we understand that not all kids enjoy the water so we make the lessons engaging and fun. Experienced Coaches – the majority of our instructors have taught swimming for several years, and are experienced teaching preschoolers to elite swimmers. Check out our website or come in for a free swim assessment to see what we are all about.
