Kia ora te whānau, Catholic Character

Catholic Character Review

Our school will host the Catholic Character Review team on 30 October –1 November. During their time at our school the team will explore the ways we live out our special character everyday. You and your children may be approached to also talk about our school and the wider community. We will have a welcome combined with our school prayers on Tuesday morning and we hope that many of you may be able to join with us. We will also celebrate All Saints day with a Mass at St Thomas More Church at 11:30 am on Thursday 1 November. We hope that many of you can join with us.

Te Radar Fundraiser - Message from John McCrystal

Here's a personal plug for the Te Radar fundraiser we are running. In 2012, Nick Tansley (Drew & Liza's dad) and I were lucky enough to travel to Antarctica with 50-odd others. We had the pleasure of Te Radar's company on that trip, and we saw his fascination and engagement with the place grow along the way. After we had returned, I was delighted to learn he had put together a show about the unique and downright odd history of Antarctica. He performed this in Christchurch at the IceFest (where it was very well received), and in Auckland (ditto). Given he had not previously performed it in Wellington, we thought it would a magnificent opportunity to get him to put it on as a joint venture with the school. Finally, it's about to happen... Te Radar is a supreme performer, and family friendly (although he notes that references to self-surgery may be a little strong for very young stomachs). This a great opportunity to have a fun, educational night out with the family. Grab a ticket, and see you there! And if, for any reason, you can't make it, please promote it as widely as you can. We like sharing at CMcK, and there's no reason to keep it all to ourselves. <https://tinyurl.com/Te-Radar-CMcK>

School Photos

School photos must be ordered prior to the photo being taken. The order envelope was sent home on Monday and is due back on Thursday 25 October.

Netball Uniform Returns

We have received some of the netball hoodies back. Please ensure that you return this hoodie by Tuesday 23 October so they can be put away for the next season. These hoodies were donated for a school netball uniform not for the children to keep.

Enrolments for 2019

If you have a child you are intending to enrol at CMcK in 2019 please ensure you have picked up an enrolment form from the office. If you know of a family who are considering choosing CMcK for their child please do encourage them to make an appointment to visit the school. We love showing new people around our school. Similarly, if you know that your family may be taking up opportunities that take you away from Wellington in 2019, please also let us know so we can support this transition. We currently have 9 students enrolled to join us in 2019 across the school.

Otari Parish News

Stewardship thought: "It is easier for a camel to pass through the eye of a needle than for one who is rich to enter the Kingdom of God." Mark 10:25 Jesus uses tough language that we may not want to hear. But, we are all called to be generous with all our gifts. Not just the ones we pick and choose, but all our gifts: our time in prayer to God, our talent in participating in parish ministries and our treasure supporting our local parish and other charities.

Children's Mass: The next Children's Mass is to be held on Sunday 28 October at St Teresa's Karori 10am. All are welcome.

Week 1 Garden Group

In the garden group this week we-

- ✎ Harvested some plants from our garden for the salad
- ✎ Checked to see if our potatoes were sprouted enough to plant

- ✎ Added grass to the compost
- ✎ Found worms!

Week 10 Kitchen Group

In the kitchen this week we made Lemon Asparagus Pasta, with a salad side dish and dressing.

Te Radar's Antarctica

Hilarious true tales
from the frozen south

Wednesday 14 November 2018

Following his boat ride to Antarctica, Te Radar brings you an illustrated comedic lecture on all things Antarctic

It's a hilarious look at the heroism and humour that have shaped the icy continent's history, the odd flora and fauna and the even odder folk who explored the land that Captain Robert Scott called an "Awful Place".
