### Synergy Swim School

Synergy Swim School is a boutique swim school located within Synergy Health & Fitness Club at 154 The Terrace. Swim lessons are held in our 20m saltwater pool heated to comfortable 30 degrees by our experienced team of instructors. At Synergy Swim School we focus on skill development, enjoyment and building the confidence of all our students. Our small class numbers are small (3-6) allow for more personal attention to students which is great for nervous

beginners. We hold a Gold Accreditation as a Quality Swim school as awarded by NZSCTA (New Zealand Swim Coaches and Teachers Association). Currently we are the only NZSCTA Accredited Swim School in the Lower North Island with a Saltwater Pool. OUR FORMULA- We have a simple formula that creates a great environment for swimmers of all abilities:

Small Class Numbers – this allows us to personalise teaching and increases the productivity of lessons

Focus on Technique – emphasis on teaching great technique rather than a focus on 'lengths or speed' as these skills will come easily later. Keeping it fun – swimming is a life skill, we understand that not all kids enjoy the water so we make the lessons engaging and fun. Experienced Coaches – the majority of our instructors have taught swimming for several years, and are experienced teaching preschoolers to elite swimmers. Check out our website or come in for a free swim assessment to see what we are all about.
