Kia ora te whānau,

Catholic Character

Sacramental Programme

Thank you to all of those who came to support TJ, Petelo, Max, Maddie and Eugene as they made their first Holy Communion on Sunday. It was a lovely day and our students showed reverence and holiness as they received this for the first time. A special thank you to Patricia Gee who organises this event for Otari Parish.

Sacramental Programme 2019

For many reasons your child may have not yet been baptised into the Catholic Faith and have gained preference through one or both parents being Catholic. To support this, we will be offering a baptismal programme at school in Term 1 so that those children can then join in the Otari Parish Sacramental programme. This also an opportunity for children who have decided they would like to join the Catholic Faith to do so. Please email principal@cardinalmckee Fry.school.nz to register your interest.

Before School Badminton club Term 2 and 3 2019

We have been approached with the possibility of starting a before school badminton club between 8-8:45am on Thursday or Friday during term 2 and 3 next year. Before we book this in we'd like to see how much interest there is. The cost would be \$2.50 per child per session. Please email principal@cardinalmckee Fry.school.nz to register your interest.

Sustainability Programme at Cardinal McKee Fry School

Our school has been selected to participate in Your Sustainable School during Term 1 2019. We will be working with the Wellington City Council and EnviroSchools on a waste minimisation programme. Room 5 will be the programme drivers and it will be a great preparation for these students as they prepare for Garden to Table in Year 5.

Ngā mihi nui, Tania Savage

Otari Parish News

Northland Community Carols- Saturday 8 December 2018, 5.30 pm at Northland Memorial Community Centre, Woburn Road, Northland (Organized by St Thomas More Catholic Church and St Anne's Anglican Church). Join in singing carols and come as your favourite Christmas story character. There will be an item from students of Cardinal McKeefry School and Northland School. The Carols this year will be led by the Otari Parish Tongan Music Group. Sausage sizzle to follow. **Everybody welcome!**

GARDEN TO TABLE

**GROW,
HARVEST,
PREPARE,
SHARE**

COMPETITION TIME!

The GTT are still running a competition - If you cook any of our GTT recipes, please take a photo of yourself cooking (and the finished product) and share it with us, and we will publish it on the GTT—if you would like another copy of any of the recipes just ask Jo as she has copies of them all.

Week 7 Garden Group

It was very busy in the garden this week with lots of work being done in the front garden. The students now have a bit more understanding of the phrase “*Back Breaking Work*”.

First they had to use the hoes to create the lines and spaces to plant the seeds in. It is a lot harder to create straight lines than it looks. Have a look next time you are walking up the ramp to the front door.

Please be careful of our new garden when you are kicking balls out the front so they don't land in the new garden—it will be make it much harder for the seeds to sprout.

Around the back, the rest of the team were just as busy planting, weeding and clearing away leaves. A big thanks to Duncan who donated some lovely new tomato plants that have now been planted in the raised garden bed.

Week 7 Kitchen Group

This week the team had a go at making oatmeal raisin cookies. They learned all about how to cream butter and sugar, and rolling the mixture into walnut sized balls to put in the oven. The cookies turned out really well and disappeared quickly.

They also made a new salad dressing this week using balsamic vinegar which tasted fantastic on the salad.

GARDEN TO TABLE STALL AT the Car Boot Sale

The students made fresh lemon cordial on Friday last week to sell at the GTT Stall. A big thank you to all the people who came along and bought drinks and seedlings. We raised enough money to buy a bird bath for our garden.

We are also going to buy some wood to build a bird feeder to attract birds.
